GAME NEWS

Arena #375: Turn #7 saw Side #4 rapidly expanding their lead as they really go to town pounding Command Post #1. At this late stage in the game their lead is going to be tough to beat. Speaking of Command Posts, this turn saw the game's third CP Kill as Cadet E.C. Vileslayer, in her very first contest, destroyed Command Post #4 with a Heavy Laser blast from her Hornet. Next turn could see another CP Kill and up to two Bot casualties.

Turn #8 saw the casualties really begin to mount as Major Zhitnik Zezel ejected from his Ranger (VR=2.89, DR=3.23) while teammate Lieutenant Bili the Axe destroyed Command Post #1 with Mega missile fire from his Ranger. Side #4 currently has a substantial lead over second place Side #3 but their

rivals now outnumber them, perhaps setting the stage for an upset. Next turn could see three additional casualties in a game already running at 16% Battle Bot losses. The Best Bot Victory Rating is 6.30!

Arena #376 [2x4, LEGION OF WAR vs. KZINTI FITHP/THE LINE]: Turn #7 saw Side #2 expanding their lead despite suffering their first Bot casualty. This occurred when Major Datameister ejected from his Athena (VR=1.96, DR=3.21!) after having most of his right side sections (front torso, arm and leg) blown off. Despite this loss, Side #2 retains numerical superiority, outnumbering their opponents seven bots to six. Next turn could see a host of new casualties that will no doubt have a dramatic effect on the scoring picture.

Turn #8 saw Side #2 continue to expand their lead as they dominate the scoring. Not that their opponents are not scoring well in their own right, in fact the team scores are practically the same. However, Side #1, with a 60 ton weight advantage is falling seriously behind in the ratings. Next turn could see six Bot casualties and perhaps two new CP Kills. The Best Bot Victory Rating is 5.18.

Turn #6: Side # 1: 2.01 Side # 2: 2.16

Turn #7: Side # 1: 2.32 Side # 2: 2.54

Turn #8: Side # 1: 2.59 Side # 2: 2.90

Arena #377: Turn #1 saw this contest getting off to a great start. Side #4 captured the early lead by being the only team to launch any Command Post attacks. Side #2 is, appropriately enough, in second place with Sides #1 and #3 tied for a distant third place. Nearly half the participants failed to score any hits this turn so the fighting will likely intensify for the coming turn. The Best Bot Victory Rating is 1.14!

Coming Up: We are now taking applications for Arena #378 and are close to starting another 2-Sided and 4-Sided contest.
