GAME NEWS

CTF Arena #392 [2005 Championship]: Turn #9 saw modest scoring as this contest enters its final stages. All but three of the survivors are now close to destruction including two of the three top scoring Bots. IF there are no casualties next turn the only real competition now is for third place, but with so many potential casualties EVERYONE has a chance to be a member of the Top Three!

Turn # 1: Lowest: 0.10 Average: 0.26 Best: 0.53

CTF Arena #393 [FRAG' DEN HENKER vs. SISTERS OF SILICON]: Turn #3 saw Side #2 pulling into the lead as their opponents scored poorly. Side #2 is really driving up the middle and though they are paying the price at the moment, the strategy may be to accept short term losses for long term gains. Their opponents are taking advantage of the situation and enveloping both flanks, creating a devastating crossfire. Next turn should be interesting. The Best Bot Victory Rating was 0.71.

Turn # 1: Side # 1: 0.12 Side # 2: 0.13
Turn # 2: Side # 1: 0.36 Side # 2: 0.29

CTF Arena #394 [Independents & small groups]: Turn #2 saw Side #1 making a nice comeback as they were able to greatly close the ratings gap. Side #2 was by far the more aggressive team, charging forward to close with their foes. Next turn should be interesting as the fighting is likely to devolve into hand-to-hand combat. The Best Bot Victory Rating was 0.44.

Turn # 1: Side # 1: 0.03 Side # 2: 0.10
Turn # 2: Side # 1: 0.20 Side # 2: 0.23

Coming Up: We are now taking applications for Arena #395. We are currently close to starting a Fast Paced 4-Sided contest!

BULLETIN BOARD

Player Notice

To make the yearly Championship game more challenging, I suggest that we eliminate all Heavy Buildings. In place of them, we can have Ridges so that the cowardly Pilots can hide behind them without the ability to fire at other Bots from a safe distance.

If this suggestion is implemented, we will have a more interesting contest because only real men and women will dare step into the Arena. Wimps will have no place to hide!

[Ed: An interesting idea, feedback anyone?]

SPECIAL ANNOUNCEMENT

Coming in July, our SIXTEENTH annual Championship Tournament! Sign up now! The first four signups get the coveted "pole" positions (ie. are set up in the corners of the Arena near the poles that hold the shields that protect the audiences from harm. Being in the corner, your flanks and rear are better protected during the opening salvos!).

SPECIAL OFFER

July 1st is a special date for us here at Advanced Gaming Enterprises as it marks the TWENTIETH year anniversary of our first processing turns for the original Crack of Doom Playtest (the company itself was actually formed several months earlier). In celebration and to show our gratitude for your dedicated and enthusiastic support we have the following special offer: Send in a single check for \$50.00 or more for your CoD or CTF account during the month of JUNE and we will deposit that money PLUS an additional \$4.00 into your account. That's right, an additional four extra dollars game credit, FREE! [Note: This is a 'CASH ONLY' offer that includes checks and Money Orders but NOT payments made by Credit or Debit Card.]
