

THE COSMIC BALANCE

Issue # 240

July 2006

PANAGEANEWS

This month we begin in the Central region.... In the Grimwall Range, Wolf's Star (Zraxxut worshipping LOOT Gnolls) destroyed Bear Clan (Trimorph worshipping Giants). One hundred miles away, Knights Of Red Ax (Shargash worshipping LOOT Minotaurs) defeated the fleeing Argonauts (Lawful Terminator Giants) in a close battle. A week later Vulture Legion (Chaotic Kodan Raman Gnolls) and Howling Winds (Chaotic Kodan Raman Gnolls) slammed into the Argonauts and inflicted heavy casualties.

On the isle of Mycenea, Lomorian Wolf Pack (Chaotic Kodan Raman Gnolls) and Lupine Legion (Chaotic Kodan Raman Gnolls) butchered the all but defenseless Drexel (Lawful Terminator Giants).

Moving to the Western Region.... In the Vaeld Mountains, 3rd Regiment (Chaotic Kodan Raman Gnolls) defeated the fleeing Aphelion (Lawful AIM Elves).

In the region known as Aurumia, Rick's Reserves (Chaotic Kodan Raman Gnolls), Black Widow (Chaotic Kodan Raman Gnolls), Black Scorpion (Chaotic Kodan Raman Gnolls) and S.F. Giants (Chaotic Kodan Raman Giants) defeated the fleeing Nomads (Lawful Terminator Humans).

Finally, the Eastern Region was relatively quiet.... In the Lorian Forest, Lobo's Moon (Zraxxut worshipping LOOT Gnolls) defeated the retreating Army Of Caladan (Redeemer worshipping Giants of the RPA).

LORASIANEWS

On the Vardian Plain outside the Human city of Vardunon, Parisean (Cosmic Balance worshipping ICON Humans) destroyed Das Weirdwaffe (Cosmic Balance worshipping Humans). [Note: Destroying members of your own religion is very bad for Morale and Piety!] The next day at the Human city of Kaffa, Elven Honor (Lawful HARM Elves) smashed Warmake One (Cosmic Balance worshipping Humans). Two weeks later at the Giant city of Angonheim, Lucy's Legion (Lawful HARM Gnolls) defeated the fleeing Chaotic Nightmare (Titans).

In the Cambrian Range outside the Giant city of Magdenheim, Tonatiuh's Torch (Lawful Kobolds) defeated the fleeing 10th Virginia Inf (Gnolls). Two weeks later Tonatiuh's Torch struck again, this time defeating Ratt Skinners (Shhvoon worshipping Goblins of the Akuda Combine) in a close and costly battle.

In the Nadev Jungle, Rune Tusk Raiders (Chaotic Orcs) defeated Maala Swarm (Miiya worshipping Xaati). Two weeks later the Rune Tusk Raiders struck again and Maala Swarm was again defeated.

In the Pryma Forest, Def Knytes (Trimorph worshipping Dark Elves of the Crystalian Warriors) defeated the fleeing Dark Tide (Chaotic Orcs).

On Morgren Island, Facilitators (Lawful Kobolds) defeated Xan Swarm (Miiya worshipping Xaati).

In the region known as Malundia outside the Kobold city of Ez'zak, Ez'zak Pochteca (Lawful Kobolds) defeated the retreating Tennessee Titans (Chaotic ACE Titans).

In the Anvil Mountains outside the Halfling city known as Hilltop Haven, Toe Jam (Lawful HARM Dwarves) smashed the Axes Of Fire (Hobgoblins).

In the Grimwood forest outside the Ogre city of Ogton, Fangs Of The Wolf (Lawful HARM Gnolls) destroyed Dark Legion (Chaotic Goblins of the Nemesis alliance).

PANAGEARUMORS

The Kodan Raman is crumbling from within. The rot has set in!

Nick Gnoll-tee was last seen crying into his ale, something about Xanthor being his best buddy.

When will the Terminators strike back? I hear it's real soon now.

New faces?

Valen of Mycene is on the verge of death! Who will claim Mycene when he's gone?

The last of the great Lawful Citadels will soon come under the Chaotic fist.

LORASIA RUMORS

The Akuda Combine is returning with a vengeance.

Another Xaati city? Oh my!

With the power of Law reigning supreme, where are the followers of the Balance? It's time for action! To arms!

ICON's credibility has gone into the latrine.

The three most popular spellcasters are: Battlemage, Druid & Seer.

Where is Artur Hawk?

The Crystalian Warriors are running scared. They fear Chaos because they long to be Chaotic!

The Bugs are on the rampage again! Someone call an exterminator.

The three most popular non-spellcasters are: Warlord, Gladiator, and Bard.

Word is Lord Hisan Tark's fiance Torrie Horseface strapped on a saddle and galloped from the altar with a very short bearded man screaming "Centwarves".

The vast Treasure of Dagoth Lor has yet to be found, though the clues are all there if you know where to look.

Clerics, Paladins and Monks are neither spellcasters or non-spellcasters and exist in a class by themselves. Prayer dudes? Holy Molies?

BULLETINBOARD

LORASIA PLAYER NOTICE

To: All Lorasias

In collaboration with the city populus I issue the following decree(s):

1. "INTERCEPT" orders are in place for anyone attacking within the city sector.

2. Publicly stating such (above); any attack will be considered an attack against the city AND its populus. (NOTE: Expressed written consent can be obtained but such approval WILL NOT be given frivolously!)

3. Bugs, my people don't like you hanging around! Each of you at the city have been contacted via diplo. You WILL NOT be included under our Intercept orders! State your business — OR LEAVE!

LORASIA PLAYER NOTICE

To: All Citizens of Lorasias

I am pleased to announce that by majority vote of the City Leaders of cities on Fenway Island, I have been elected Fenway Island's first Governor. It is believed that me being of a neutral Empire and a Charter House leader of the ICON Alliance covering this area, I would be a good choice. Also because my Empire controls a city on Fenway, I have a vested interest in keeping the peace.

My first proclamation as Governor shall be that NO army shall be attacked in any sector of Fenway Island or in any sea sector within 50 miles of Fenway's shore, without the expressed written consent from myself. Anyone wishing to attack an army in my governing territory must submit to me in writing the reasons and what actions you wish to take. If I grant such actions, I will post a notice in the Cosmic Balance Newsletter explaining my decision.

Let it be known that I will not grant such lightly, and if at all, there most likely will be limits and/or restrictions imposed. If at all possible, I will attempt to negotiate a settlement diplomatically first.

Also know that I shall keep forces from my Empire as a peace-keeping force that will place intercept orders on ALL armies at the cities of Satyr's Retreat, Elmorin, and Spider's Wort. If anyone attacks any army in these sectors they will be attacking MY armies, for which I will not tolerate. Notice Fenway Island will have a safe haven for Lawfuls (Elmorin), Chaotics (Spider's Wort), and Neutrals and all alignments at Satyr's Retreat.

Anyone visiting our Island, especially in sectors outside cities, are encouraged to diplo me and let me know so that I will expect you. This is not law, but just a general courtesy.

Lastly, if there is anything I or my Empire can do to assist anyone while on Fenway, let me know. This is a retreat island and we want only joy and happiness here, may it please our goddess, Lyredh.

Thank you for your respect of our territory and for your cooperation in these matters.

In Joy and Peace,

Padraig Goathoof C#180
Governor of Fenway

P.S. All Alliance leaders are encouraged to diplo me in acknowledgment of this notice and that you agree to abide by the aforementioned.
